Summary of key findings for parents

The provision meets requirements

- The childminder understands her responsibility to follow the Local Safeguarding Children Board procedures. The premises are kept safe and secure.
- The childminder knows how to provide enjoyable learning experiences to help children make progress. She has a wide range of resources and toys available.
- The childminder knows how to work in partnership with parents and involves them in their child's learning. She demonstrates how she plans to observe, monitor and plan for children's learning to promote their learning and development.
- The childminder understands how to promote children's health, physical development and well-being. She knows how to provide children with nutritious meals and snacks, and opportunities to play outdoors.
- The childminder understands how to help children learn about good behaviours and understand about the needs of others.
- The childminder demonstrates that she is aware that reviewing her practice contributes towards improving outcomes for children.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector had a tour of the areas of the childminder's home she plans to use for children's care.
- The inspector and childminder discussed the resources and equipment that she intends to use.
- The inspector looked at relevant documentation, such as the suitability checks and the childminder's training certificates.
