

## **Compliance action taken for childcare provision**

Ref: 140418/6075090

Date: 28 July 2025

### **Summary of outcome**

#### **Our reference 140418/ 6075090**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 June 2025, the provider notified us about matters relating to staff:child ratios and safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant changes and events.

On 10 July 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out.

#### **Actions needed by 24 July 2025:**

- ensure staff understand their responsibilities and supervise children effectively to help keep them safe
- implement effective risk assessment to assure the safety and well-being of children.

On 29 July 2025, we carried out a regulatory visit to monitor the welfare requirements notice. We found the provider had taken steps to improve staff's understanding of their responsibilities to supervise children well and implement effective risk assessment to help keep children safe.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
