

Complaint about childcare provision

Ref: 141509/6282026

Date: 5 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 January 2026 we received concerns that the provider was not meeting requirements relating to changes that must be notified to Ofsted. On 4 February 2026, we carried out a regulatory telephone call. We found the provider had not notified Ofsted of changes to household members. The provider now understands what she needs to notify Ofsted of.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
