

Complaint about childcare provision

Ref: 149980/5899974

Date: 7 January 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 December 2024, we received concerns that the provider was not meeting requirements relating to Information and record keeping.

On 7 January 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. All staff including those that lead on safeguarding have been trained on when to share safeguarding information with other agencies so that the needs of all children are met. Leaders have reviewed procedures to ensure there is sufficient oversight in the reporting of safeguarding information to help keep children safe. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
