

Compliance action taken for childcare provision

Ref: 201674/6198783

Date: 18 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 October 2025, the provider notified us about matters relating to changes that must be notified to Ofsted or the relevant childminder agency (CMA). The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of changes to the hours of operation and a temporary move of address.

On 14 November 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. Although the provider notified us of these changes, this was outside of the 14-day window, which is a breach of requirements and an offence. The provider has since updated her knowledge of the requirements to notify Ofsted and assured us that we will be kept informed of any future notifications within 14 days. The childminder has also now renewed her paediatric first aid qualification and renewed her public liability insurance. She knows these must be renewed so that they remain in date at all times.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
