

Compliance action taken for childcare provision

Ref: 2503026/5963819

Date: 3 March 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 February 2025, the provider notified us about a child accessing and ingesting a harmful substance (Safety and suitability of premises, environment and equipment.) The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 28 February 2025, we carried out a regulatory visit. We found the provider had taken immediate action to ensure this incident does not occur again. They ensured any harmful substances were removed from the reach of children. The staff were reminded about the importance of supervising children and positioning themselves to ensure children could be in the line of sight at all times. They updated their risk assessments. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
