This inspection

The effectiveness of the home and the progress and experiences of children and young people since the most recent full inspection

This home has not yet had a full inspection. At this interim inspection the home was 'not judged'.

The home has not provided care and accommodation to children and young people since its registration on 17 April 2019. This inspection focuses on whether the children's home meets its statutory requirements in order to maintain its registration and that it is ready to accept placements.

There is appropriate management oversight of the home. The manager holds the relevant qualifications and has a number of years' experience of working with children and young people in residential care. The manager speaks warmly about the children and young people that she has worked alongside.

A mix of new, experienced and skilled staff are ready to support the manager in providing care and support for children and young people. Suitable deputising arrangements are in place to ensure that children and young people and staff are supported sufficiently when the manager is not in this home.

The home continues to be decorated and furnished to a high standard throughout.

The safety of children, young people and staff is promoted as the provider and manager ensure that a range of health and safety checks are maintained.
