

Complaint about childcare provision

Ref: 2522379/5729487

Date: 29 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 May 2024, we received concerns that the provider was not meeting some of these requirements.

On 28 May 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take.

Action needed by 12 June 2024

- improve induction arrangements for temporary staff members to ensure they fully understand their roles and responsibilities, with particular regard to safeguarding children.

On 4 June 2024, the provider responded to the action set. We found that the provider has improved their induction procedures for temporary staff. This procedure supports these staff to have a clear understanding of their roles and responsibilities, including sufficient safeguarding knowledge.

We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
