

Complaint about childcare provision

Ref: 2524332/6306855

Date: 16 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 February 2026, the provider notified us about matters relating to staff: child ratios. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 16 March 2026, we carried out a regulatory telephone call. We found the provider had not met a requirement and had already taken action to put this right. The provider had updated staff training regarding the effective supervision of children. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
