

Compliance action taken for childcare provision

Ref: 253403/6034410

Date: 11 August 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 May 2025, we received concerns that the provider may not be meeting requirements relating to safeguarding policies and procedures.

On 9 June 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements in relation to information and record keeping. We have issued an action for the provider to take. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 30 July 2025:

- Ensure that appropriate records are maintained to ensure the setting is safely and efficiently managed.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
