

Compliance action taken for childcare provision

Ref: 2538898/5541857

Date: 26 September 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 September 2023, the provider notified us that a minded child went missing from her care when on a school collection. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which might affect the suitability of those individuals working with children.

On 22 September 2013, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements as a child in her care had not been supervised appropriately. The childminder has changed where she is positioned in the school grounds when collecting children to ensure that she can supervise them more effectively. This action is to ensure that this does not happen again.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
