

Compliance action taken for childcare provision

Ref: 2540732/6015294

Date: 1 May 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 April 2025, the provider notified us about an incident whereby a child was able to swallow a small screw from a window restrictor. This relates to the setting's arrangements for risk assessments and the safety of premises. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 1 May 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has completed a thorough investigation into the incident. All screws used in the building's window restrictors have been replaced, risk assessments and health and safety checks have been revised and staff have been made aware of the need for vigilance when carrying out these checks. Ofsted are satisfied with the action taken. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
