

Compliance action taken for childcare provision

Ref: 2542506/5500558

Date: 18 August 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right

On 27 July 2023, the provider notified us of a significant incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 10 August 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken appropriate action to put this right. The provider conducted a review of their policy for risk assessment and amended their procedure. The updated procedure includes a process for assessing risks to children prior to visiting places of interest so that any identified risks can be reduced. on outings.

The provider will be able to give parents further information about this.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be

found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
