

Compliance action taken for childcare provision

Ref: 2542692/6279779

Date: 1 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 January 2026, we received concerns that the provider was not meeting requirements relating to staff: child ratio.

On 25 March 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 8 April 2026:

- ensure a robust risk assessment is in place, so that children are not exposed to potential risks and hazards.

On 13 April 2026, we carried out a monitoring visit and found that the provider had met the actions set. The provider had thoroughly reviewed their risk assessment process to ensure that hazards are quickly identified and appropriate actions are taken to reduce risks to children. All staff have undertaken updated training to support them in managing risks effectively within the setting.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
