

Compliance action taken for childcare provision

Ref: 2548271/6279155

Date: 20 February 2026

Summary of outcome

¿All early years providers must meet the legal requirements in the¿Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.¿

On 21 January 2026, the provider notified us about matters relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who cares for children on the premises. The provider will be able to give parents more details about this.

On 20 February 2026, we carried out a regulatory visit. We found the provider has taken some actions in relation to the notification. For example, staff are completing additional training around managing children's behaviour effectively and the provider is in the process of having CCTV installed within the setting.

The provider had not previously notified us about changes to directors, which is a legal requirement, however, they are now in the process of doing that. We are satisfied with the actions taken by the provider. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
