

Compliance action taken for childcare provision

Ref: 2548869/6028645

Date: 12 May 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 April 2025, the provider notified us about matters relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage, to notify Ofsted of significant incidents.

On 12 May 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We issued an action for the provider to take within the time scales set out below.

On 21 May 2025, the provider responded to the action set. We found that the provider had improved their policies and procedures to ensure they are fully in line with local safeguarding partners guidance. The information gathered suggests that the provider is now meeting the requirements of their registration. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

The provider will be able to give parents further information about this.

Actions needed by 27 May 2025:

- ensure that staff follow local safeguarding partner's procedures when managing allegations against staff.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
