

Complaint about childcare provision

Ref: 2549145/6095639

Date: 11 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 September 2025, we received concerns that the provider was not meeting some of these requirements relating to concerns about children's safety and welfare.

On 27 October 2025, we carried out a regulatory visit to the setting. We found that the provider was not meeting some of the requirements and had taken action to put this right. The provider had reviewed the written risk assessment for outings. Also discussed with all staff measures to be taken to ensure there are adequate facilities for children's toileting arrangements when on outings. This will ensure that children's intimate care needs are managed at all times including during outings.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
