

Complaint about childcare provision

Ref: 2554158/5851910

Date: 18 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 October 2024, we received concerns that the provider was not meeting requirements relating to safety and suitability of premises, environment and equipment and safeguarding policies and procedures.

On 24 October 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 29 November 2024:

- ensure policies and procedures are in line with the guidance of the local safeguarding partners, specifically the procedure to follow in the event of an allegation being made against a member of staff.

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
