

Compliance action taken for childcare provision

Ref: 2561779/5622697

Date: 29 January 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On the 1, 19 and 27 December 2023 we received concerns that the provider was not meeting some of the requirements.

On 24 January 2024, we carried out a telephone regulatory event. We found the provider was not meeting one of the requirements. We have served a notice to improve. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 31 January 2024:

- ensure information is shared with Ofsted to check the suitability of every person aged 16 and over living or working on the same premises as childminding is being provided.

On 8 February 2024, the provider responded to the action set. We found that the provider had taken steps to ensure Ofsted is provided with the required information, to check the suitability of people living or working at the premises.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
