

Compliance action taken for childcare provision

Ref: 2562276/5398116

Date: 5 June 2023

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 March 2023 we received a notification from this provider that indicated that the provider was not meeting some of these requirements. In particular, the requirements relating to information and records. The notification means that the provider met their legal responsibility as set out in the early years foundation stage to notify Ofsted of any significant event.

On 1 June 2023, we carried out a regulatory telephone call to look into these concerns. We found that the provider had taken prompt and appropriate steps to ensure that information and records of children are handled in a way that ensures confidentiality.

We are satisfied with the actions taken by the provider to rectify the breaches of the welfare requirements and therefore it was not necessary for Ofsted to take any further action.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
