

Compliance action taken for childcare provision

Ref: 2567934/6306571

Date: 6 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 October 2025 and 12 March 2026, the provider notified us about matters relating to supporting and understanding children's behaviour. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of instances when staff do not support children's behaviour appropriately.

On 13 May 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 10 June 2026:

- *ensure staff receive the required training to be able to fulfil their roles and responsibilities effectively*
- *ensure all staff understand and use appropriate strategies to manage children's behaviour*

We will monitor the provider's response to ensure the actions are successfully completed.

The provider is still registered with Ofsted.

On 8 June 2026, the provider responded to the action set. We found that the provider had enhanced induction and supervision processes to ensure staff are supported to develop the skills required to carry out their roles effectively. In addition, all staff have completed extensive additional training to support them in managing children's behaviour appropriately within the setting.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
