

Compliance action taken for childcare provision

Ref: 257020/6417554

Date: 18 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 June 2026, the provider notified us about matters relating to risk assessment. On 10 June 2026 we received a further notification relating to suitable people. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 16 June 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 01 July 2026:

- Ensure any concerns about children's safety or welfare are reported in line with local reporting procedures
- implement effective policies and procedures to ensure the ongoing suitability of assistants so that they remain suitable to work with children
- ensure risk assessment effectively identifies hazards and implement safety measures promptly to promote children's safety
- maintain a clear daily record of the names of the children being cared for which includes their precise hours of arrival and departure.

We will monitor the provider's response to ensure the action/s is/are successfully completed. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
