

Compliance action taken for childcare provision

Ref: 2571128/5772875

Date: 19 July 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 July 2024, the provider notified us of a notifiable event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event. Additionally, on 5, 8, 10 and 12 July 2024, we received concerns that the provider was not meeting some of these requirements.

On 19 July 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 22 July 2024:

- ensure that health and safety requirements are complied with, particularly hygiene when eating and changing nappies
- ensure that children are always in sight and hearing when eating.

On 22 July 2024, the provider responded to the actions set. We found that the provider had improved their nappy changing procedures and those for handwashing. In addition, the provider no longer allows the children to eat in the car. The information gathered suggests that the provider is now meeting the requirements of their registration. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered

with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
