

Compliance action taken for childcare provision

Ref: 2575751/6394990

Date: 24 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 May 2026, we received concerns that the provider was not meeting requirements relating to staff: child ratios; indoor premises; information to be shared with parents; risk assessments and training, support and skills.

On 16 July 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and action had taken to put this right. A child had been left out of sight and hearing of staff while attending the setting. Since this, the provider has introduced robust headcount monitoring sheets for all transitions to and from the garden area. They have also shared this information with the staff team at a team meeting alongside updates to their policies and procedures. Leaders are completing regular spot checks to ensure all new procedures are being followed by all staff. This helps ensure children are supervised adequately.

The provider will be able to give parent further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
