

Compliance action taken for childcare provision

Ref: 2582051/5794267

Date: 17 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 July 2024, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures. Safety and suitability of premises, environment and equipment, and information and record keeping.

On 4 October 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. Leaders have reviewed the settings safeguarding policy to ensure they are aware of when to report a safeguarding concern relating to a child or colleague. Leaders have shared this information with staff to ensure they understand the policy and know the correct procedures to follow. Leaders have provided staff with training on how to report children's accidents and injuries. Leaders have also improved their knowledge of what should be notified to Ofsted. These measures help to support children's safety at nursery.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
