

Compliance action taken for childcare provision

Ref: 2597826/6358568

Date: 4 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 April 2026 and 9 April 2026, the provider notified us about matters relating to staff: child ratios and safety and suitability of premises, environment and equipment. The notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who cares for/is in regular contact with children on the premises.

On 28 May 2026, we carried out a regulatory telephone visit. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take.

Action needed by 11 June 2026:

- ensure that effective risk assessments are understood and implemented by all staff to support children's safety.

On 15 June 2026, the provider responded to the action set. We found the provider had reviewed and improved their risk assessment arrangements. We are satisfied that the provider had met the action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
