

Complaint about childcare provision

Ref: 2598523/6181179

Date: 16 January 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 October 2025 and 14 November 2025, we received concerns that the provider was not meeting requirements relating to whistleblowing, suitable people, staff taking medication/other substances, supervision of staff, and risk assessments.

On 13 January 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider had conducted a full investigation into the concerns and taken appropriate action. This includes undertaking spot checks to ensure that risk assessments and policies and procedures are always adhered to.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
