

Compliance action taken for childcare provision

Ref: 2603441/6275590

Date: 12 May 2026

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 January 2025, the provider notified us about matters relating to safeguarding policies and procedures, suitable people and changes that must be notified. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event that is likely to affect the suitability of the registered person.

On 12 February and 15 April 2026, we carried out two regulatory telephone calls. We found the provider was not meeting some of the requirements. We found that they had failed to notify us of a different significant event that is likely to affect the suitability of the registered person. In response to this, we found that the provider has now reviewed the requirements and is aware of the requirement to notify Ofsted of all significant events.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
