

Compliance action taken for childcare provision

Ref: 2611887/5244832

Date: 16 December 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 September 2022, we received concerns that the provider was not meeting some of these requirements.

On 11 November 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 25 November 2022:

- ensure you understand and follow the correct safeguarding procedures in line with your local safeguarding partners (LSP) guidance, in particular, the procedures to follow if an allegation is made against you or any person living or working at the premises

- improve your knowledge of notifiable events and the time frame in which to do this in.

On 24 November 2022, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of child protection procedures and is aware of what to do if an allegation is made against them or a person living on the premises. The provider now fully understands their responsibilities. The provider has

improved their knowledge of notifiable events to Ofsted and the timeframe in which to do this. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
