

Compliance action taken for childcare provision

Ref: 2618655/5553124

Date: 13 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 October 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted. On 6 October 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 27 October 2023:

- improve knowledge of how to identify safeguarding issues and how to respond in a timely and appropriate way to child protection concerns including allegations
- improve knowledge of managing children's behaviour in an appropriate way
- provide evidence of confirmation of intention to imminently attend a paediatric first-aid course.

On 30 October 2023, Ofsted completed a regulatory visit to monitor the welfare requirements notice. We found that the provider had improved their knowledge of child protection procedures and effective behaviour management techniques. They had booked to attend a paediatric first-aid course and, in the meantime, had completed an online course to refresh their knowledge. We are satisfied the provider has met the safeguarding and welfare

actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
