

## **Compliance action taken for childcare provision**

Ref: 2625012/6320272

Date: 9 March 2026

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 March 2026, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, safeguarding practice, safeguarding policy, information for parents and carers, risk assessment, special educational needs and complaints.

On 4 March 2026, we carried out an unannounced visit and found the provider was not meeting some of these requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by: 11 March 2026

ensure all accident records are recorded accurately and in a timely manner.

On 26 March 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of ensuring all accidents are recorded accurately and within a timely manner. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
