

Compliance action taken for childcare provision

Ref: 2629252/6059116

Date: 16 June 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 June 2025, we received concerns that the provider was not meeting requirements relating to Suitable people. On 16 June, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We issued an action for the provider to take:

Action needed by 27 June 2025:

ensure robust procedures are in place to make sure all people working with children are suitable.

On 27 June 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of recruitment and how they will ensure people who work with children are suitable. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
