

Compliance action taken for childcare provision

Ref: 2644012/5553409

Date: 15 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 December 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We suspended the provider's registration on 15 December 2023 because we believe children may be at risk of harm. Suspension allows time for the provider to take steps to reduce or eliminate the risk of harm to children. The provider has a right to appeal against a suspension. The provider may not provide childcare for which registration is required while the suspension is in place and may commit an offence if they do so.

We served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 8 February 2024:

- put in place effective systems to ensure that staff, and any other person who may have regular contact with children (including those living or working on the premises), are suitable
- ensure that records are easily accessible and available

On 9 February 2024, we lifted the suspension because the provider took appropriate action to deal with the matter that led to the suspension, and we are satisfied the provider has met

the safeguarding and welfare actions raised. We are satisfied that the identified risk of harm to children has been removed.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
