

Compliance action taken for childcare provision

Ref: 2652186/6278365

Date: 4 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 January 2026, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures. In addition, we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration.

On 4 March 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. The provider will be able to give parents further information about this. In addition, we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. We have issued action for the provider to take:

Action needed by 18 March 2026:

- ensure safeguarding policies and procedures are followed in the event of an allegation made against anyone living, working or looking after children on premises.

On 18 March 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of safeguarding policies and procedures and knows how to act in the event of an allegation against anyone living, working or looking after children on the premises. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
