

Compliance action taken for childcare provision

Ref: 2657825/5725148

Date: 14 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 May 2024, the provider notified us that a child went missing on an outing. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the provider to look after children.

On 13 June 2024, we carried out a regulatory telephone call. We found the provider had not been meeting some of the requirements in relation to supervision of children as a child had been out of sight and sound of them during an outing to a park. To prevent a reoccurrence, the provider has re assessed the number of children that can be cared for safely to meet all children's individual needs when on outings. To ensure children can be seen, high-visibility jackets and bright clothing will be worn by children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
