

## **Compliance action taken for childcare provision**

Ref: 2681563/6003310

Date: 8 May 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 April 2025, the provider notified us about matters relating to safety and suitability of premises, environment and equipment and staff:child ratios. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage.

On 8 May 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 22 May 2025

- provide staff with sufficient training and support to enable them to effectively conduct risk assessments on outings, to ensure equipment is suitable for the age range of the children and that children are adequately supervised at all times.

On the 22 May 2025 the provider notified us of steps they had taken to meet the action set.

They have updated their risk assessment and outings policy which has been shared with staff. Staff have received training on how to complete effective risk assessments for outings, ensuring equipment is appropriate for children's developmental level and that children are supervised at all times.

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
