

## **Compliance action taken for childcare provision**

Ref: 2685372/5445292

Date: 7 June 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 May 2023, we received concerns that the provider was not meeting some of these requirements.

On 25 May 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 1 June 2023:

- review daily risk assessment procedures to ensure the provision is safe and secure prior to children arriving, in particular the safe storage of cleaning materials

We will monitor the provider's response to ensure the action is successfully completed.

On 7 June 2023, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of completing daily risk assessments to ensure children are safe, especially regarding the safe storage of cleaning materials.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
