

Compliance action taken for childcare provision

Ref: 2685449/6037032

Date: 25 July 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 May 2025, the provider notified us about matters relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 18 June 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 10 July 2025:

ensure staff always supervise children effectively to keep children safe

deploy staff effectively so that they can consistently meet children's individual needs

identify and provide appropriate training and professional development opportunities to ensure that all staff have

strengthen key person arrangements for children so that parents receive meaningful feedback and children's learning is consistently supported in the absence of their key person.

We will monitor the provider's response to ensure the actions are successfully completed.

On 7 July 2025, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of child protection procedures and staff supervision. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
