

Compliance action taken for childcare provision

Ref: 2688379/6282604

Date: 1 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 January 2026, the provider notified us about matters relating to concerns about children's safety and welfare. On 2 February 2026, we received concerns relating to the same requirements.

On 26 and 31 March 2026, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take.

The provider will be able to give parents further information about this.

Action needed by 14 April 2026:

- ensure that all designated safeguarding leads attend relevant training.

On 9 April 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
