

Complaint about childcare provision

Ref: 2688560/6398879

Date: 8 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 May 2026, we received concerns that the provider was not meeting requirements relating to training and skills.

On 7 July 2026, we carried out a regulatory visit. We found the provider was not meeting one of the requirements and had taken action to put this right. They had revised their procedures for ensuring that children's intimate care needs are met. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
