

Compliance action taken for childcare provision

Ref: 2689613/6294906

Date: 4 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 December 2025, the provider notified us about matters relating to safeguarding policies and procedures, concerns about children's safety and welfare, suitable people and risk assessment. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage', to notify Ofsted of significant events.

On 21 January and 2 June 2026, we completed regulatory telephone calls and on 10 April 2026, we completed a regulatory visit. We found that the provider was not meeting one of the requirements and had taken action to put this right. Procedures to check the suitability of occasional volunteers have been strengthened to ensure enhanced criminal records checks are always completed.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
