

Compliance action taken for childcare provision

Ref: 2694282/6352423

Date: 24 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 March 2026, we received concerns that the provider was not meeting requirements relating to supporting and understanding children's behaviour.

On 10 April 2026, 24 April 2026 and 9 June 2026, the provider notified us about matters relating to safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 13 July 2026, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider had made changes to improve safety in the environment. However, we found the provider was not meeting another requirement. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 27 July 2026:

- ensure there is a procedure in place to record any occasion where physical intervention is used and to inform parents/carers on the same day, or as soon as reasonably practicable.

On 17 July 2026, the provider responded to the action set. We found that the provider had improved procedures to ensure any physical intervention is recorded and shared as required. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
