

Compliance action taken for childcare provision

Ref: 2699676/5774323

Date: 5 August 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 July 2024, the provider notified us of a significant event. The provider did not notify Ofsted of this significant event in the required timeframe. However, this does not have an impact on the children, as the provider took appropriate action and worked in partnership with the relevant local safeguarding partners.

On 12, 29 July and 5 August 2024, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has completed a review of the sharing of information policy and improved their knowledge of required notifications to ensure these are reported within the required timeframe. The provider has strengthened policies and practices in relation to safeguarding and they have improved the way supervision and support is provided for managers and staff.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
