

Complaint about childcare provision

Ref: 2711739/6282585

Date: 11 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 January 2026, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures and changes that must be notified to Ofsted. On 23 February 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had attended training to further improve their knowledge and understanding of how to manage any safeguarding allegations in accordance with their local authority safeguarding reporting procedures and what must be reported to Ofsted. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints
