

Compliance action taken for childcare provision

Ref: 2733537/5712856

Date: 7 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 April 2024, the provider notified us of a serious injury to a child in their care. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 7 May 2024, we carried out a regulatory telephone call. We found the provider had liaised with local statutory children's services and safeguarding partners. However, we also found the provider was not meeting some of the requirements and had taken action to put this right. The manager has since strengthened support, coaching and training for staff to ensure they understand that a written record of accidents or injuries must be kept and that parents and/or carers must be informed of any accident or injury sustained by the child on the same day as, or as soon as reasonably practicable after. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
