

Compliance action taken for childcare provision

Ref: 2743632/6121768

Date: 24 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 August 2025 and additionally on 4 September 2025, we received concerns that the provider was not meeting requirements relating to suitable people, safety and suitability of premises, environment and equipment, health and changes that must be notified to Ofsted.

On 23 October 2025, we carried out a regulatory telephone call. We found that the provider had failed to notify Ofsted of a change to the directors of the governing body, which is a requirement of their registration. We also found the provider was not meeting some of the requirements and had taken action to put this right. We found the provider had spoken to all staff about effective risk assessment in practice. They had also recently input additional morning checks and monitoring throughout the nursery environment to help keep children safe at all times.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
