

Complaint about childcare provision

Ref: 2744173/6234891

Date: 16 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 and 8 December 2025, we received concerns that the provider was not meeting requirements relating to supporting and understanding children's behaviour, safeguarding policies and procedures, concerns about children's safety and welfare, staff:child ratios and accident or injury.

On 11 March 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 25 March 2026:

- ensure that any concerns about children's safety or welfare are reported immediately to the local authority children's social care team.

On 22 March 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures. They have reviewed the safeguarding procedures and shared this information with staff. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.
