

Complaint about childcare provision

Ref: 2744668/5923795

Date: 21 February 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 January 2025, we received concerns that the provider was not meeting requirements relating to Safety and suitability of premises, environment and equipment and Health.

On 20 February 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. This included updating information about children's needs, implementing new procedures and risk assessments, and providing training to staff about these.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
