

Compliance action taken for childcare provision

Ref: 2747050/6091075

Date: 17 July 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 July 2025, we received concerns that the provider was not meeting requirements relating to changes that must be notified to Ofsted.

On 8 July 2025, we carried out a regulatory telephone call where we found that the provider had failed to notify Ofsted of changes to the individuals who are partners in, or a director, secretary or other officer or members of its governing body, which is a requirement of their registration. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
