

Compliance action taken for childcare provision

Ref: 2748926/6137044

Date: 4 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 September 2025, we received concerns that the provider was not meeting requirements relating to concerns about children's safety and welfare.

On 29 October 2025, we carried out a regulatory telephone call and received subsequent email correspondence from the provider up to the 3 November 2025. We found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. We also found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 18 November 2025:

- ensure safeguarding policies and procedures are understood and implemented, with specific regard to allegations made against staff.

On 25 November 2025, we carried out a regulatory telephone call and we found that the provider had met the action in the welfare requirements notice. We found that the provider had improved their knowledge and understanding of safeguarding policies and procedures to ensure they follow local reporting procedures. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
